AN ENVIRONMENTAL AND ENERGY LAW PRACTICE

Thursday
April 7
5:00 -
7:00 p.m.

**You are invited to join us for a special reception to celebrate
the success of the Pocono Environmental Education Center.**

**We will showcase PEEC's commitment to advancing
environmental education for Philadelphia area students
for more than 40 years.**

Featured Presenters:

Peter Bohlin

Founding Principal, Bohlin Cywinski & Jackson

Peter Q. Bohlin is an award winning American architect and a Fellow of the American Institute of Architects. Some of Mr. Bohlin's most iconic commissions include Philadelphia's Liberty Bell Center, New York's Apple Store "The Cube," and Pixar Studio Headquarters in California. He'll discuss his design inspiration and use of natural materials—a combination that makes you feel like you're outside, even when you are in.

Manna-Symone Middlebrooks

American University '17

Manna attended PEEC with Drexel's Women In Natural Sciences program, participated and then mentored for PEEC's *Women On the Water* program, and served as a counselor for PEEC's Sci-Q program. Today, she is a professional actor and student at American University. She will share her firsthand experience at PEEC and how it influenced her life today.
