## **MANKO, GOLD, KATCHER & FOX ATTORNEYS RECEIVE PROFESSIONAL RECOGNITION**

**Philadelphia, PA (June 1, 2009)** – Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm, is pleased to announce that seven of the firm's attorneys have been recognized by Pennsylvania *Super Lawyers* publication for their contribution to Environmental Law, and two have been recognized by New Jersey *Super Lawyers*. The seven are: Joseph M. Manko, Marc E. Gold, Bruce S. Katcher, Robert D. Fox, Michael M. Meloy, Bart E. Cassidy, and Neil S. Witkes. The two New Jersey lawyers are Katcher and Carol F. McCabe. *Super Lawyers* listings will be published in the June 2009 issue of *Philadelphia Magazine* and the 2009 *Pennsylvania Super Lawyers* magazine.

The attorneys chosen as *Super Lawyers* were selected based on research obtained from survey ballots sent to Pennsylvania attorneys. The survey ballot asked lawyers to nominate the best attorneys they've personally observed in action. The research team then selected the *Super Lawyers* based on the background and experience of candidates (divided according to their firm size – small, medium and large), evaluating indicators of peer recognition and personal achievement.

*MGKF concentrates its practice in environmental, energy, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic Region and on a national basis.
