**BART CASSIDY AND BRETT SLENSKY OF
MANKO, GOLD, KATCHER & FOX, LLP TO SPEAK AT
PA CHAMBER ENVIRONMENTAL AND ENERGY CONFERENCE & TRADE SHOW**

Philadelphia, PA (April 1, 2009) – Bart Cassidy, partner, and Brett Slensky, associate, with Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm, will address industry representatives, business owners, environmental managers and others at the Pennsylvania Chamber of Business and Industry’s Environmental and Energy Conference and Trade Show: Climate Change and Reducing Your Carbon Footprint on Tuesday, April 7 and Wednesday, April 8 at the Eden Resort Inn & Suites in Lancaster, Pa.

Slensky will speak about Environmental Waste Issues, in which the focus will be on “Complying with Residual Waste Regulations.” Cassidy will moderate and lead the conference’s Environmental Roundtable. The Environmental Roundtable provides an opportunity for members of the regulated community to ask questions of the members of a panel of environmental attorneys, consultants and representatives of the Pennsylvania Department of Environmental Protection about environmental compliance topics, including residual and hazardous waste; water; above ground and underground storage tanks; air pollution control requirements and air permitting; brownfields; remediation requirements and SPCC plans.

At MGKF, Slensky focuses his practice on environmental aspects of commercial transactions, property development, and regulatory compliance matters. Prior to his legal career, he worked as an environmental consultant on numerous brownfield redevelopment and site investigation and remediation projects throughout the mid-Atlantic and upper Midwest states.

Cassidy brings a legal and engineering background to MGKF, where he assists clients with a broad range of environmental issues, including air and water quality control, waste management, storage tank issues and business and real estate transactions. Cassidy represents clients in responding to agency enforcement actions and in litigation of environmental matters before state and federal administrative and judicial tribunals. In addition to being a member of the bar in several jurisdictions, Cassidy is also a licensed Professional Engineer.

The Pennsylvania Chamber of Business and Industry’s Environmental and Energy Conference and Trade Show will be held on Tuesday, April 7 and Wednesday, April 8 at the Eden Resort Inn & Suites, 222 Eden Road, Lancaster, Pa. For registration and information, please visit www.pachamber.org.

MGKF concentrates its practice in environmental, energy, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic Region and on a national basis. MGKF’s offices are located at 401 City Avenue, Suite 500, Bala Cynwyd, Pennsylvania and 535 Route 38, Suite 145A, Cherry Hill, New Jersey.
