Philadelphia, PA (June 16, 2008) – Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm, is pleased to announce that nine of the firm's attorneys have received national recognition in their field by Chambers USA. Included in the Chambers USA list of top environmental lawyers are MGKF partners Joseph Manko, Marc Gold, Bruce Katcher, Robert Fox, Bart Cassidy, Michael Meloy, Neil Witkes, Carol McCabe, and Jonathan Spergel.

The following statement is printed in the 2008 Chambers USA directory about MGKF:

“Unanimous praise was afforded to this top-flight environmental boutique whose ‘technical proficiency is impeccable’ and whose ‘client service is nothing but responsive.’ The 28-attorney team is prized for its ‘out-of-the-box thinking and solution-oriented approach,’ coupled with its ‘exceptional depth and impressive industry knowledge.’ The group covers a full range of environmental concerns although it was singled out especially for its regulatory and counseling work, where it ‘has cultivated effective working relationships with the regulatory agencies’ and ‘always knows the right people to go to at the EPA with questions.’”
