**TODD D. KANTORCZYK NAMED A PARTNER AT ENVIRONMENTAL LAW FIRM
MANKO, GOLD, KATCHER & FOX, LLP**

Philadelphia, PA (January 8, 2008) – Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm in Bala Cynwyd, announced that attorney Todd D. Kantorczyk has been named partner. An associate at MGKF since 2004, Kantorczyk has focused his practice on litigation and regulatory compliance counseling, covering a wide range of national, state and local environmental programs. His areas of concentration include air, climate change and energy matters, as well as “toxic tort” litigation.

Before joining MGKF, Kantorczyk was a litigation associate in the Environmental and Natural Resources Practice Group of Gibson, Dunn and Crutcher, LLP in Washington, D.C. He is a member of the ABA Committee on Climate Change, Sustainable Development and Ecosystems. In December 2007, Kantorczyk was named a “Rising Star” in the area of Environmental Law by the Pennsylvania Super Lawyers publication and Philadelphia Magazine.

“We were lucky to have Todd join us from a large Washington firm,” said Managing Partner Robert Fox. “He is an integral part of our growing air and energy practices and has developed a real interest in the alternative energy and green development areas.”

Kantorczyk received his Juris Doctor from UCLA School of Law, where he served as comments editor of the UCLA Law Review. He holds a Bachelor of Arts in government from Cornell University. Kantorczyk resides in Wayne, Pa. with his wife and three children.
