of Manko, Gold, Katcher & Fox, LLP, to Speak on
“All Appropriate Inquiry”
for the Society of Women Environmental Professionals
on November 18, 2014

Philadelphia, PA (November 12, 2014) – Darryl D. Borrelli, a senior technical consultant with Manko, Gold, Katcher & Fox, LLP (MGKF), the environmental, energy and land use law firm based in Bala Cynwyd, PA will participate in a panel discussion on “All Appropriate Inquiry”. His presentation, sponsored by the Society of Women Environmental Professionals of Greater Philadelphia, will be held on Tuesday, November 18, 2014 from 11:30 a.m. to 2:00 p.m. at the Philadelphia Bar Association, 1100 Market Street in Philadelphia.

The panelists will discuss ASTM E1527-13: Standard for All Appropriate Inquiry. US EPA’s Final Rule changed the standards, so it is important to come out to learn what those changes are all about, the CERCLA liability protections under the Rule, and how the rule will impact real estate transactions and brownfields redevelopment.
