## **Nicole R. Moshang of Manko, Gold, Katcher & Fox, LLP Moderated Program on “Natural Gas Supply Infrastructure Investment” for the Southern New Jersey Development Council**

(Philadelphia, PA – March 31, 2015) – Nicole R. Moshang, a partner with Manko, Gold, Katcher & Fox, LLP (MGKF), the environmental, energy and land use law and litigation firm based just outside of Philadelphia, PA, served as a moderator at “Natural Gas Supply Infrastructure Investment” presented by the Southern New Jersey Development Council. MGKF was also a sponsor of the program. The panel discussed the future demand and new natural gas investment projects since, unlike coal, natural gas cannot be stored and must be delivered, from outside of New Jersey, as it is consumed.

Nicole Moshang is a litigation partner at the firm where she represents clients in the pursuit of and in defense of environmental claims for cost recovery, contribution, natural resource damages, toxic tort, breach of contract, insurance coverage and enforcement and penalty actions under various state and federal statutes. In addition to her litigation practice, she advises clients on a range of environmental matters, including regulatory compliance with federal, state and local regimes. Her clients have ranged from Fortune 500 corporations in an array of business sectors to closely held businesses, sole proprietorships, municipalities, and school districts in a variety of complex environmental litigation matters.

Moshang is an active member of several organizations including the Pennsylvania Energy Alliance, Pennsylvania Future Fund, and liaison for the firm’s sponsorship of the Association of Corporate Counsel, Delaware Valley Chapter. Nicole has also been an active longstanding member and a past officer of the Society of Women Environmental Professionals of Greater Philadelphia and is involved in the firm’s hiring and mentoring programs.
