**Manko, Gold, Katcher & Fox Partner
Suzanne Ilene Schiller Panelist for
“Challenges on the Litigation Side of Superfund”
at ABA Superfund Master Class**

June 15, 2016

Chicago, IL

Philadelphia, PA (May 2, 2016) – Manko, Gold, Katcher & Fox partner Suzanne (Shoshana) Schiller will present at the ABA Section of Environment, Energy and Resources’ Superfund Master Class on June 15, 2016 in Chicago, IL. She will participate as a panelist for “Challenges on the Litigation Side of Superfund,” from 1:15-2:45 p.m. Schiller and her fellow presenters will address difficult Superfund litigation issues such as a party’s right to bring cost recovery and/or contribution claims, application of statutes of limitation, when liability is divisible, good faith hearings and settlement credits, identifying and allocating orphan shares, and burdens of proof.

The Superfund Master Class is meant to bring together government leaders and their non-governmental counterparts to discuss emerging and continuing legal issues and obstacles within the CERCLA context. Each presentation will be interactive and help drive a path to improvements to the Superfund process. MGKF is a “Legal Leader” sponsor of the program.

Schiller concentrates her practice in the areas of environmental, real estate and complex civil litigation, with particular experience in CERCLA, cost recovery and contribution actions, as well as storage tank, real

estate development, and leasing matters. She has represented potentially responsible parties in numerous multiparty Superfund and cost recovery cases, including recently the BKK Landfill, Yosemite Slough, and Mouren-Laurens/Leach Oil Company (Rev973) Sites in California, and the Standard Chlorine Chemical Company and the Combe Fill South Landfill Sites in New Jersey. Ms. Schiller is AV® Preeminent® Peer Review Rated through Martindale-Hubbell® and a fellow of the Litigation Counsel of America, trying jury and non-jury cases in federal and state courts and appearing before administrative agencies, hearing boards and appellate courts throughout the country. She is also a frequent speaker at legal and industry conferences and seminars, and a regular author on environmental and real estate issues.

MGKF concentrates its practice in environmental, energy, safety, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic region and on a national basis. MGKF is honored to be the top-rated law firm, since 2011, in the Top Workplaces surveys by the Philadelphia Inquirer, Daily News and Philly.com and was recently recognized by Law360 as one of the top 20 Best Law Firms for Female Partners in the nation.
