

MANKO | GOLD | KATCHER | FOX LLP

\$10,000 IN PRIZES!!

Two schools will each be awarded a \$5,000 honorarium to enhance environmental programs.

2018 Environmental Community Service Award

Wawa, 6abc and the environmental law firm of Manko, Gold, Katcher & Fox, LLP are looking for school classes or clubs (6th to 12th grade students) that currently have a worthwhile environmental community service school project, demonstrating a connection to their community. The criteria for projects includes, but is not limited to: establishing awareness of natural and historic resources, and/or promoting community service that focuses on environmental and quality of life issues.

To qualify, classes in 6th grade to 12th grade must meet the following criteria:

- **Complete and submit this application by Friday March 16, 2018.**
(Supplemental photographs, impactful student comments and other supporting information are optional.)
- Be located in the following Delaware Valley counties: *Pennsylvania* – Berks, Bucks, Chester, Delaware, Lehigh, Montgomery and Philadelphia; *New Jersey* -- Burlington, Camden, Gloucester and Mercer; *Delaware* – Kent and New Castle.
- Send application to Manko, Gold, Katcher & Fox's (MGKF) marketing department at environmentalaward@mankogold.com (providing it is sent from an official school e-mail address) or by regular mail to:

Manko, Gold, Katcher & Fox
Attn: Environmental Award
401 City Avenue, Suite 901
Bala Cynwyd, PA 19004

All mailed applications must also be signed by a school official. (Instructions outlined on the application form.)

The proposals from schools who meet the criteria above will be reviewed by a panel of judges including, but not limited to: Wawa, 6abc, MGKF, The Franklin Institute, Academy of Natural Sciences, and representatives from Pennsylvania and New Jersey's Dept. of Environmental Protection and Delaware's Department of Natural Resources and Environmental Control. The judges will select the top two projects and surprise award presentations will take place at the winning schools sometime prior to Earth Day (April 22, 2018).
