Wednesday, March 30, 2011

Sponsored in part by Manko, Gold, Katcher & Fox, LLP

Voorhees, NJ (March 3, 2011) – The environmental and energy law firm of Manko, Gold, Katcher & Fox, LLP (MGKF), will serve as co-sponsor of the Chamber of Commerce Southern New Jersey's (CCSNJ) March 30, 2011 "Meet the Policymakers" program, featuring Bob Martin, Commissioner of the New Jersey Department of Environmental Protection (NJDEP). Commissioner Martin will share the latest developments in environmental policy relative to the business community.

An accomplished business and industry leader with recognized expertise in energy and utilities, Commissioner Martin served as a key policy adviser throughout Governor Christie's gubernatorial campaign. He assisted in shaping and then drafting then-candidate Christie's Energy Policy and Environmental Policy, and provided policy guidance on other major issues. In recent years, he also has served as a respected and trusted adviser, primarily in energy policy, to several candidates for U.S. Senate, congressional and gubernatorial seats.

Bruce Katcher, Esq., a founding partner of MGKF, the partner responsible for MGKF's New Jersey office, and chair of CCSNJ's Environment Committee, spearheaded the firm's support of

the program. "As a member of Governor Christie's Environmental Transition team, it is gratifying to see that Commissioner Martin is implementing some fundamental changes in agency structure and policy designed to make NJDEP more responsive to the needs of the regulated community while still maintaining its commitment to preserve and protect the environmental resources of the state and the health of its citizens, " explained Katcher.

The program will take place Wednesday, March 30 from 11:30 a.m. – 1:00 p.m. at the Mansion on Main Street, 3000 Main Street, Voorhees, NJ 08043. The cost is \$30 (pre-registered members); \$40 members at the door, and \$50 for non-members. For more information and to register, please visit the [CCSNJ website](#).
