**TODD KANTORCZYK OF MANKO, GOLD, KATCHER & FOX, LLP
TO SPEAK AT EPA GREENHOUSE GAS REPORTING SEMINAR
October 28, 2009**

Philadelphia, PA (October 19, 2009) – Todd Kantorczyk, a partner with Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm based in Bala Cynwyd, Pa., will speak at a seminar on the EPA Greenhouse Gas Mandatory Reporting Rule on Wednesday, October 28. Sponsored by the URS Corporation, an environmental consulting service, and the Pennsylvania Chemical Industry Council, the seminar will take place at URS in Fort Washington, Pa.

On January 1, 2010, the U.S. Environmental Protection Agency will, for the first time, require large emitters of heat-trapping emissions to begin collecting Greenhouse Gas (GHG) data under a new reporting system. In addition to providing an in-depth analysis of how to navigate the components of the new Greenhouse Gas Reporting requirements, Kantorczyk and fellow speakers will address topics including “Climate Change Regulatory Update”; “Applicability: Is My Facility Included? Or Can I Opt Out?”; “Integrating Mandatory and Voluntary Reporting”; “Emissions – Monitoring, Plans, Calcs & Reports”; and “Emissions Offsets – Can I Generate Them?”

At MGKF, Kantorczyk focuses his practice on litigation and regulatory compliance counseling, covering a wide range of national, state and local environmental programs. His areas of concentration include air, climate change and energy matters, as well as “toxic tort” litigation. Kantorczyk is a member of the ABA Committee on Climate Change, Sustainable Development and Ecosystems. He received his Juris Doctor from UCLA School of Law and his Bachelor of Arts in government from Cornell University.

The EPA Greenhouse Gas Reporting seminar will be held on Wednesday, October 28 at URS, 335 Commerce Drive, Fort Washington, Pa. The seminar is free and seating is limited, so reservations are encouraged. For reservations and information, contact Erin Begley at Erin.Begley@urscorp.com.

MGKF concentrates its practice in environmental, energy, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic region and on a national basis. MGKF’s offices are located at 401 City Avenue, Suite 500, Bala Cynwyd, Pennsylvania and 535 Route 38, Suite 145A, Cherry Hill, New Jersey.
