**MANKO, GOLD, KATCHER & FOX ATTORNEYS
RECEIVE PROFESSIONAL RECOGNITION**

Philadelphia, PA (June 3, 2008) – Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm, is pleased to announce that seven of the firm's attorneys have been recognized by Pennsylvania Super Lawyers publication for their contribution to Environmental Law. The seven are: Joseph M. Manko, Marc E. Gold, Bruce S. Katcher, Robert D. Fox, Michael M. Meloy, Bart E. Cassidy, and Neil S. Witkes. Super Lawyers listings were published in the June 2008 issue of Philadelphia Magazine and the Pennsylvania Super Lawyers 2008 magazine.

The attorneys chosen as Super Lawyers were selected based on research obtained from survey ballots sent to Pennsylvania attorneys. The survey ballot asked lawyers to nominate the best attorneys they've personally observed in action. The research team then selected the Super Lawyers based on the background and experience of candidates (divided according to their firm size – small, medium and large), evaluating indicators of peer recognition and personal achievement.

MGKF concentrates its practice in environmental, energy, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic Region and on a national basis. MGKF's offices are located at 401 City Avenue, Suite 500, Bala Cynwyd, Pennsylvania and 535 Route 38, Suite 145A, Cherry Hill, New Jersey.
