**MANKO, GOLD, KATCHER & FOX ATTORNEYS NAMED RISING STARS FOR 2007
BY PENNSYLVANIA SUPER LAWYERS**

Philadelphia, PA (December 17, 2007) – Manko, Gold, Katcher & Fox, LLP (MGKF), an environmental, energy and land use law firm, is pleased to announce that five of the firm's attorneys have been named Rising Stars for 2007 in the area of Environmental Law by the Pennsylvania Super Lawyers publication. The five are: Nicole Moshang, Brenda Hustis Gotanda, Carol McCabe, Michael Gross, and Todd Kantorczyk in the area of Environmental Law. Rising Stars listings were published in the December 2007 issue of Philadelphia Magazine and the Pennsylvania Super Lawyers 2007 magazine.

The attorneys chosen as Rising Stars, 40 years or younger, or in practice 10 years or less, were selected based on research obtained from survey ballots sent to Pennsylvania attorneys in practice for five years or more. The survey ballot asked lawyers to nominate the best up-and-coming attorneys they've personally observed in action. The research team then selected the Super Lawyers Rising Stars based on the background and experience of candidates, evaluating indicators of peer recognition and professional achievement.
