Todd D. Kantorczyk, Partner at Manko, Gold, Katcher & Fox, LLP, Speaks at Conestoga High School Career Day March 13, 2014

Philadelphia, PA (March 10, 2014) – Todd D. Kantorczyk, a partner with Manko, Gold, Katcher & Fox, LLP (MGKF), the environmental, energy and land use law and litigation firm based in Bala Cynwyd, PA, will speak at Conestoga High School Career Days: The career symposium, titled “What is Your 2020?” spans March 11-13, 2014, but he will address students on Thursday, March 13.

Kantorczyk will provide an overview of his role as a partner at MGKF and what a typical day as an environmental attorney may look like. He will also share his personal experience on his career path, including why he chose to attend law school, how he selected environmental law as a specialty, and what led him to practice at a small firm in Pennsylvania.

“When I was in high school, I had no inkling that environmental law was a potential career path for me,” said Kantorczyk. He continued, “It is great to talk with young and inquiring students at this stage of their education when they are really starting to expand their strengths and explore how they may be applied in the future.”

At MGKF, Kantorczyk focuses his practice on litigation and regulatory compliance counseling, covering a wide range of national, state and local environmental programs, including issues related to natural gas exploration, production and distribution. He is a member of the ABA Committee on Climate Change,

Sustainable Development and Ecosystems. Kantorczyk received his Juris Doctor from UCLA School of Law and his Bachelor of Arts in government from Cornell University.
