Michael C. Nines, P.E., LEED AP, Named a Senior Technical Consultant at Manko, Gold, Katcher & Fox, LLP

Philadelphia, PA (March 26, 2014) – Michael C. Nines of Manko, Gold, Katcher & Fox, LLP (MGKF), the environmental, energy and land use law and litigation firm based in Bala Cynwyd, PA, was promoted to a Senior Technical Consultant. He is a licensed professional engineer and is also a LEED® accredited professional (LEED AP).

Nines joined the firm in 2005 as an in-house technical consultant and brought more than a decade of diverse environmental engineering experience gained through previous employment in the manufacturing sector, environmental consulting, and with an international chemical manufacturing trade association. Managing Partner, Robb Fox said, “Over the past nine years, Mike has demonstrated sophisticated technical skills, exceptional client service, avid new business development, and a strong work ethic. This promotion is well deserved.”

Michael's experiences have enabled him to excel in complex multi-media environmental problem solving through "real-world" experiences in the manufacturing, production, retail, and real estate sectors. Not afraid to “get in the trenches”, he takes the time to understand the intricacies of client's complex manufacturing facilities, development projects, and related technologies in order to fully comprehend relevant regulatory concerns while maintaining a corporate management perspective to problem solving. Nines and fellow

Senior Technical consultant Darryl Borrelli fill unique roles at the firm by acting as the “prism” into clients’ operations in order to best serve their needs.

Nines is a 1999 graduate of Drexel University where he majored in civil/environmental engineering. He has served on the board of the Delaware Valley Chapter Air & Waste Management Association since June, 2011.

MGKF concentrates its practice in environmental, energy, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic region and on a national basis. For the tenth consecutive year, MGKF has been listed in the top tier for environmental law in Chambers USA—America’s Leading Lawyers for Business. Offices are located at: 401 City Avenue, Suite 901, Bala Cynwyd, Pennsylvania; 535 Route 38, Suite 145A, Cherry Hill, New Jersey; and at 25 West Third Street, Suite 303, Williamsport, Pennsylvania.
