Manko, Gold, Katcher & Fox Included in Law360 Top 100 Best Law Firms for Female Attorneys

Philadelphia, PA (April 24, 2015) – Manko, Gold, Katcher & Fox was included in Law360's "100 Best Law Firms for Female Attorneys" listing. This was the first time Law360 made these rankings, based on the firm's female representation at the partner and non-partner level and its total number of female attorneys. MGKF was ranked 41 on the list of 100.

Almost all of the firms included in the list buck the sobering findings of Law360's 2015 Glass Ceiling Report, which found that just 33 percent of all attorneys—and just 22 percent of all partners—at U.S. law firms are women. At MGKF, one-third of all attorneys at the firm are female, and 36 percent of the partners are female. Additionally the firm has been honored for its family-friendly work environment in [Top Workplaces](#) surveys by the *Philadelphia Inquirer*, *Daily News and Philly.com* since 2011 and the *Delaware Valley Association for the Education of Young Children (DVAEYC)*.

MGKF concentrates its practice in environmental, energy, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic region and on a national basis. For the 11th consecutive year, MGKF has been listed in the top tier for environmental law in Chambers USA—America's Leading Lawyers for Business.
