Philadelphia, PA (June 22, 2017) – Manko, Gold, Katcher & Fox attorneys Bryan Franey and Stephen Daly presented “Putting Your Best Face Forward: Managing Your Social Media Presence” at the 9th Annual Oil & Gas Law Colloquium on the afternoon of Wednesday, June 21. The program was presented by the Pennsylvania Bar Institute at the Doubletree Pittsburgh-Meadowlands in Washington, PA.

The presentation engaged the audience in an interactive discussion of the potential ethical pitfalls that lawyers can encounter when using social media. Franey and Daly used a common hypothetical to analyze social media communications with represented persons, social media posting during trial proceedings, and the collection and preservation of evidence on social media.
