Philadelphia, PA (May 21, 2018) –Manko, Gold, Katcher & Fox, LLP, the environmental, energy and land use law firm based in the Philadelphia region, congratulates its partners Carol F. McCabe, Nicole R. Moshang and Shoshana (Suzanne Ilene) Schiller for being included in the [Top 50: 2018 Women Pennsylvania Super Lawyers listing](#). Manko Gold was the only firm with three partners included on this Top 50 list. McCabe was also one of only 16 women included in the [Top 100: 2018 Philadelphia Super Lawyers Top List](#).

Every year, Super Lawyers evaluates lawyers across the country for its annual list of top attorneys. Each candidate is measured against 12 indicators of peer recognition and professional achievement. Nominees from

more than 70 practice areas are considered. The patented multiphase selection process is rigorous and methodical.

The “Top Lists” take exclusivity one step further by featuring selected Super Lawyers attorneys with the most total points earned. MGKF Managing Partner Jonathan Spergel commented, “It’s always great to showcase the firm and our attorneys in the Pennsylvania Super Lawyers listings. Carol, Nicole and Shoshana’s “top lists” inclusion reinforces how highly respected they are by their peers both in and outside the firm.”

Additionally, more than 85 percent of the MGKF attorneys have been included in the *2018 Super Lawyers\** list published by Thomson Reuters. In total, 17 partners are listed in [Pennsylvania Super Lawyers](#), including Joseph M. Manko, Marc E. Gold, Bruce S. Katcher, Robert D. Fox, Rodd W. Bender, Bart E. Cassidy, Brenda Hustis Gotanda, Jill Hyman Kaplan, Carol F. McCabe, Michael M. Meloy, Jonathan E. Rinde, Jonathan H. Spergel, and Katherine L. Vaccaro for environmental law and Neil S. Witkes, John F. Gullace, Nicole R. Moshang, and Suzanne Ilene Schiller for environmental litigation.

Partner Kathleen Campbell, Stephen D. Daly, Thomas M. Duncan, Diana A. Silva and Garrett D. Trego are included in the [2018 Pennsylvania Rising Stars](#) list for environmental litigation while Michael Dillon, Partner Bryan Franey, Zachary Koslap and James M. McClammer are listed for environmental law. Thomson Reuters defines “Rising Stars” as up and coming attorneys 40 years old or younger, or who have been practicing 10 years or less.

According to Thomson Reuters, attorneys are selected for *Super Lawyers* listings using a rigorous, multiphase rating process. Peer nominations and evaluations, obtained from survey ballots sent to Pennsylvania and New Jersey attorneys, respectively, are combined with third party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement, combined with the background and experience of candidates, divided according to their firm size—small, medium and large. The selection process for “Rising Stars” is the same as “Super Lawyers”, but candidates for “Rising Stars” do not go through peer evaluation by practice area. Selections are made on an annual, state-by-state basis.
