Only a single lawyer in each practice area and designated metropolitan area is honored as the “Lawyer of the Year.”

Receiving this designation reflects the high level of respect a lawyer has earned among other leading lawyers in the same communities and the same practice areas for their abilities, professionalism, and integrity.

Partner Kate Campbell joins the Best Lawyers® list for the first time and is the only new addition to the Environmental Litigation category. She is one of only three female attorneys included in this section.

Additionally, more than two-thirds of the MGKF partnership was selected by peers in the environmental law community for inclusion in the 2020 edition of [The Best Lawyers in America](#) (“Best Lawyers”)*. MGKF attorneys were recognized in the areas of Environmental Law, Energy Regulatory Law, Environmental Litigation, and Arbitration and Mediation. Here are the respective statistics for the Philadelphia area listings:
