Philadelphia, PA (October 20, 2020) – The American Bar Association’s Section of Environment, Energy and Resources’ (ABA SEER) Superfund and Natural Resources Damages (NRD) Litigation Committee, chaired for the past two years by Manko Gold Katcher & Fox (MGKF) partner Shoshana Schiller, was honored this week as the Best Committee at the ABA SEER Fall Conference. A SEER “Best Committee” distinguishes itself by its strong leadership; active engagement of members, including cultivation of new committee leaders; steady production of membership benefits; successful innovation in projects or products; engagement with Section leaders and other committees; and timely fulfillment of administrative requirements.

In keeping with the firm’s tradition of encouraging participation in environmental, energy, and other civic programs and community activities, several other MGKF partners have had key roles, past and present, with the award-winning committee. Kate Campbell is Vice Chair for Articles, Garrett Trego is the Committee’s Region 3 Reporter

and John Gullace served as the committee Chair from 2016-2018. In addition, during the past year, Shoshana and Nicole Moshang, along with associate Maria Salvemini, wrote articles for ABA SEER publications.

ABA SEER is committed to providing members with opportunities to enhance professional skills, stay on top of current developments, and dialogue in environmental, energy, and natural resources law. As Shoshana said when accepting the award, "I first became involved in ABA, and ABA SEER, a little less than a decade ago, encouraged by my partner John Gullace, who also preceded me, along with Lauren Daniels, as chair of this committee. At the time, I really did not anticipate how much of a difference it would make in my practice and in my relationship to my profession. Getting involved in the Superfund and Natural Resource Damages Litigation Committee has expanded by knowledge base and my colleague-base, and my vice-chairs, of which there are many, never failed to step up and do the work that makes committee membership so rewarding and valuable."

MGKF concentrates its practice in environmental, energy, litigation, safety and land use law. We proudly celebrate 30 years of representing clients ranging from Fortune 100 corporations to small, privately held enterprises. MGKF is also honored to be the top-rated law firm, since 2011, in the Top Workplaces surveys by the Philadelphia Inquirer, Daily News and Philly.com. Offices are located at: 401 City Avenue, Suite 901, Bala Cynwyd, Pennsylvania; 535 Route 38, Suite 145A, Cherry Hill, New Jersey; 5 Penn Plaza, 23rd Floor, New York, NY 10001; and 500 Ala Moana Blvd., Suite 7400, Honolulu, HI.
