***The Philadelphia Inquirer* Names Manko, Gold, Katcher & Fox, LLP a 2021 Top Workplaces Award Winner**

Philadelphia, PA (May 3, 2021) – Manko, Gold, Katcher & Fox, LLP (MGKF) is pleased to announce that it has been awarded a Top Workplaces honor by *The Philadelphia Inquirer* 2021 Top Workplaces for the eleventh consecutive year. The lists are based solely on the results of an employee feedback gathered through a third-party survey administered by employee engagement technology partner [Energage](#). The anonymous survey uniquely measures 15 cultural drivers that are critical to the success of any organization including alignment, execution, and connection, just to name a few.

“The Top Workplaces recognition is always an honor for the firm and carries even more significance this year because of the challenges of remote work”, said MGKF Managing Partner Carol McCabe. “Despite not being physically together, we have worked hard to maintain our extraordinary culture and continue to provide top notch service and support to our clients. Whether we are working from home or in the office, our teamwork enables us to rise to any challenge.”

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."
