Manko, Gold, Katcher & Fox to Receive a 2022 Innovation and Collaboration Award from the Water Resources Association

Philadelphia, PA (September 1, 2022) — Manko, Gold, Katcher & Fox LLP (MGKF) has been selected to receive a 2022 Innovation and Collaboration Award for regulated community leadership from the Water Resources Association of the Delaware River Basin (WRA). WRA is presenting this award to MGKF, as counsel to and on behalf of the Delaware Estuary TMDL Coalition (the “Coalition”), for its regulated community leadership and collaborative engagement with representatives of the Delaware River Basin Commission, federal and state regulators and other stakeholders in development of the innovative Stage 1 PCB TMDLs that have led to significant reductions in PCB loads to the Delaware River Estuary.

The WRA annual awards recognize people, projects and organizations that make a substantial contribution to sound water resources management and promote water resources sustainability and resilience in the Delaware River Basin. “We are very honored to be selected for this prestigious award and to represent the Coalition in collaborative and innovative approaches to the protection of water quality in the Delaware Estuary,” said MGKF Partner Brenda Gotanda. “The firm has represented the Coalition for over two decades and been privileged to work with such an exceptional client group focused on sound water resources management in the Estuary.”

Retired MGKF Founding Partner Marc E. Gold will also be honored by WRA with the 2022 Samuel S. Baxter Memorial Award in recognition of his exemplary legal career focused on comprehensive water resources management, and for significant contributions in advancing clean water initiatives in the Delaware River Basin.

The awards will be presented at [WRA's 39th Annual Recognition Dinner](#) to be held September 21 at the Fairmount Water Works, along the Schuylkill River in Philadelphia. MGKF Partner Brenda Gotanda will serve as an event co-chair. Information regarding the event and registration can be found on the WRA website at <https://wradrb.app.neoncrm.com/np/clients/wradrb/event.jsp?event=11&>.
