Philadelphia, PA (February 9, 2023) – Manko, Gold, Katcher & Fox Partners John F. Gullace, Michael M. Meloy and Shoshana (Suzanne Ilene) Schiller were included in the [2023 Lawdragon 500 Leading Environmental Lawyers Guide](#). This is Lawdragon's second guide and features attorneys who specialize in matters such as helping clients develop properties facing environmental challenge, helping companies enhance sustainable efforts and reduce their carbon footprint, or finding insurance coverage for environmental liabilities to name a few. The Lawdragon editorial team selected the 500 honorees through submissions, journalistic research and editorial vetting from a board of their peers and are proud of the diversity of this year's list which is 41 percent women and 20 percent inclusive.

John Gullace handles environmental remediation and transactional matters, and has extensive experience with environmental litigation, ADR, and administrative challenges. He is co-practice leader of the firm's New Jersey practice and is active in the firm's Superfund practice. Litigation partner Shoshana Schiller represents Fortune 500 companies at Superfund sites nationwide and handles a wide range of environmental disputes, including those involving cost recovery, storage tank, real estate development, and property

damages. Michael Meloy applies legal and engineering skills to a broad range of environmental litigation, compliance, and transactional issues, including brownfields redevelopment, site remediation, water, waste and air issues, natural gas exploration and production, and compliance management systems.
